Delinquent, unpaid fee balances are subject to collections. At its discretion, Servicer may resign from servicing accounts with unpaid, and/or delinquent servicing fee balances.

Servicer offers supplemental services for a fee as outlined on the Ancillary Fee Schedule (available upon request) and all fees are subject to change without notice. The requesting party agrees to pay all fees for supplemental services.

- 7. Payment Distributions.** Servicer will distribute payments to the named individuals and entities as instructed in writing by Lender or Lender's agent.

Servicer reserves the right to delay distributions until payments deposited have cleared the issuer's bank according to Servicer's Payment Policy (available upon request). If Servicer does not have a valid current address for Lender, it may hold all distributions for that Lender in a non-interest-bearing trust account, without liability.

- 8. Insufficient Funds/Returned Items/Uncollected Funds/ Funds Owed to Servicer.** If a payment received by Servicer is returned or rejected for any reason, all parties are liable jointly and separately for immediately reimbursing Servicer for all funds paid out and all costs incurred, and fees assessed in the recovery of these funds including but not limited to Servicer's Returned Item Fee plus 1.50% of the disbursement made to Lender per month from the date of payment to Lender until recovered. The Parties authorize Servicer to reverse direct deposits and retain future payments to recover funds. Servicer shall have a lien on all monies, papers and properties held by it in connection with this account or any other account it is servicing for either Borrower or Lender for its incurred fees, costs or expenses. Servicer may terminate this Agreement, with or without cause, with 60 days' written notice to Lender's at last known addresses. Servicer will deliver documents based upon instructions from the party(ies) who signed the Agreement upon receipt of Servicer's File Close Fee and all unpaid fees and charges. Servicer will destroy all files in accordance with state record-keeping requirements.

Servicer shall not recognize any change in beneficial interest, property ownership, or other modification to the Documents Deposited until sufficient documents, as determined by Servicer, have been received to establish such change and any related costs have been fully paid. In the absence of written notification, Servicer has no responsibility or liability for such changes.

Servicer shall hold any payments it collects after receiving notice of the death of a Lender or a pending assignment in a non-interest-bearing trust account, without liability. The funds will be paid out only when Servicer, in its sole discretion, has sufficient documentation to establish rightful ownership.

12. Prior Liens/Wraps. If a portion of a payment is to be distributed to any third party due to prior liens, Parties agree they are fully responsible for such liens. Servicer agrees to remit payments to the prior lienholders provided funds are available. Servicer assumes no responsibility for how payments are applied to underlying debt or obligation or for verification of receipt and application of said payments by prior lienholders or for failure of any such payments to fully discharge said obligations.

If a payment received by Servicer is not sufficient to pay any lien connected with the property when due, Lender is responsible for and agrees to pay amount necessary to keep lien(s) current.

All parties agree to immediately forward to Servicer all correspondence they receive from lienholders. Lender fully acknowledges any liens listed against Property. Lender agrees Servicer has the right to fully access underlying loan information and will give Servicer ability to access that information by providing written authorization to prior lienholder to release information.

property taxes and/or any other assessments plus a cushion equal to 1/6th of the total annual impound disbursements. The monthly impound requirement will be estimated by Servicer without liability. Servicer will hold said sums in a non-interest-bearing account designated to pay said obligations and furnish an annual statement of the account to the Lender and borrower. Servicer will not advance funds for any purpose if there is a shortage but will advise Lender and Borrower of shortages at the time they are discovered.

14. Account Status. Servicer is authorized to provide beneficiary/payoff statements for the documents to the Borrower or other persons authorized by law to receive such information, and to charge the fee permitted by law for providing those statements.

This Agreement has been made and will be interpreted and enforced in and under the laws determined by the location of the Servicer's office performing the duties of this Agreement, as if all parties were residents of that state and county. This Agreement, including any addendums or modifications made in compliance with other provisions of the Agreement, constitutes the entire understanding of Servicer and the parties to this Agreement. This Agreement may be modified or amended by Servicer upon Thirty (30) day written notice to Borrower and Lender, or in writing by the appropriate parties and accepted by Servicer. The Parties may request information from Servicer and notify Servicer of specific errors by submitting a qualified written request in the form of written correspondence, other than notice on a payment coupon or other payment medium supplied by servicer, which includes the requestor's name, account number and reason for request.
